Let Teachers Teach™ – Making A Difference Together

New York, NY — How Many Syllables announces the inception of the Let Teachers Teach contest:

Budget cuts, lack of funding, not enough supplies for everyone – it's no secret, all teachers spend some of their hard-earned money on their students. How Many Syllables is looking to change the status quo, one classroom at a time.

Let Teachers Teach is a contest that gives teachers a chance to win \$250 and determine how to best spend it on their students. One \$250 prize will be awarded to one eligible winner, once per month, every month until 12/31/2015.

You can read the contest rules or submit an application by visiting www.HowManySyllables.com/contests/let_teachers_teach.

How Many Syllables is a privately owned company that has been providing digital education since 2009. For more information about the company visit www.syllabl.es/about_us.
